GIVING

Consider your Church home when you think of holiday giving. December is the final month to return tithes and offerings to keep our church finances strong and move into the next year without any debt. It takes all of us, truly, for the ministries to be strong here. Our ultimate goal is to bring wellness to our community! Would you join us, with your financial gift?

You can give online at lasierra.church/give.
Mark checks "General Fund" (dated before December 31)
